SHRIMP REGISTRATION FORM

The fee for SHRIMP covers creation of a DIMP plan for one (1) system. At the system's discretion it may grant other individuals (e.g. consultants, state regulators, employees of the system) access to the system's information on SHRIMP. ** IF YOU ARE REGISTERING MORE THAN ONE SYSTEM FOR SHRIMP, PLEASE EMAIL SIF AT SHRIMP@APGASIF.ORG FOR MULTIPLE REGISTRATION INFORMATION.*

Please allow five (5) business days from application submission date for APGA SIF to verify user information. APGA SIF will notify the system main contact when approved. Please note that SHRIMP will not be accessible until full payment is received. Also, we encourage you to send in your annual report to verify customer numbers to tbrady@apga.org.

The fee for SHRIMP access is based on the number of service lines reported by the system in its most recent DOT Annual Report. Payment allows creation of a DIMP plan for one (1) system using SHRIMP and is based on the following (please circle your cost tier):

System size	2011 Cost**
(# of services or if Master Meter or LP-Gas system the # of units served by your gas piping system)	
1-1,000	\$95
1,001-5,000	\$495
5,001-20,000	\$995
20,000 - 35,000	\$1995
35,000 - 50,000	\$2995
50,000- 75,000	\$3995
Over 75,000	\$5000

As of April 1 2011, the cost for SHRIMP changed. Above is the new 2011 pricing structure. Any registrations forms postmarked after MARCH 31, 2011 will be subject to the 2011 pricing scale.

SHRIMP access is valid for one (1) year after payment is processed. Access to SHRIMP will be discontinued after 12 months unless a renewal payment has been processed.* **Current policies and pricing will apply if a system is renewing an expired account.**

If paying by check, please make payment out to “APGA Security and Integrity Foundation” with “SHRIMP” written in the memo section.

A 100% refund will be given if the SIF does not approve the utilities request to prepare a DIMP plan through the SHRIMP program.

No refund will be given if a user chooses to discontinue SHRIMP after payment has been received.

This policy applies to the SIF SHRIMP integrity management plan. Operator qualification and compliance registration and refund policies are not applicable.

Yearly fee and system size categories for SHRIMP access are subject to change without notification.

A user may create more than one DIMP plans for subparts of the system within the same state.

In the case an operator may operate in multiple states but would have to register and pay separately for each state.

*If multiple systems are registered under one SHRIMP plan (subdivided) or if a single system is subdivided within one SHRIMP plan, the total meter count must be disclosed to the SIF and meter count must be updated annually. SHRIMP cannot be subdivided across state lines. Each state will require a unique SHRIMP plan
